INCLEMENT WEATHER DAYS

*The safety of all children is our first concern
when deciding if schools must be closed or
operated on a delayed schedule because of
weather conditions.*

DELAYED OPENING SCHEDULE: A “delayed opening” schedule may be called on days when ice, snow, or other weather extremes are in evidence in the early morning but clearing weather and clear roads are expected later in the morning. On the delayed opening schedule, all schools will end at the regularly scheduled time.

NOTE SECTION:

EARLY CLOSING OF SCHOOLS: In case of snow, icy conditions, or other weather extremes which occur during the school day and cause hazardous driving conditions, school may be dismissed early. If school is dismissed early, the Superintendent of Schools will notify selected radio and TV stations, which are listed. Working parents are advised to make arrangements for childcare on days when schools must be dismissed early.

CANCELLATION OF THE SCHOOL DAY: If school has to be cancelled because of hazardous conditions, the Superintendent of Schools will notify selected radio and TV stations listed below as soon as feasible. Please listen to your radio or television for announcements concerning cancellation of school.

PAMLICO COUNTY SCHOOLS’ “ALERT NOW” SYSTEM: The “Alert Now” System will be activated to call parent(s)/guardian(s) concerning school delays or closings due to severe weather. *In order for this system to be effective, please make sure the school has an updated telephone number for your child.*
